Ramchand is the Head of Quality Control Advisory. He is a Fellow Certified Public Accountant (FCPA) of the Institute of Certified Public Accountants of Singapore (ICPAS), a CFA charterholder of CFA Institute and an Accredited Tax Practitioner (Income Tax) of the Singapore Institute of Accredited Tax Professionals. He graduated from the National University of Singapore with a Bachelor of Accountancy (Honours) degree.

Prior to joining LTC LLP, Ramchand was involved in a start-up dealing with knowledge and business process outsourcing for a brief period. Before that, he was heading the Technical Division of ICPAS where he was dealing with matters pertaining to the promulgation of accounting standards, setting of auditing standards, issuance of the code of professional conduct and ethics for professional accountants, taxation, insolvency, corporate governance, corporate finance, corporate secretarial, finance and administration work of some ICPAS subsidiary companies and other matters related to the accountancy profession.

At ICPAS, Ramchand worked with many government agencies, regulatory bodies and statutory boards like the Ministry of Finance's Accounting Standards Council, Singapore Exchange (SGX), Inland Revenue Authority of Singapore (IRAS), Monetary Authority of Singapore (MAS), Insurance Supervision Department of the MAS, Accounting & Corporate Regulatory Authority (ACRA) and the Insolvency & Public Trustee's Office (IPTO) on new laws, standards, promulgations, rules and regulations.

After graduation, Ramchand joined the international accounting firm of Arthur Andersen where he qualified as a CPA and as a CFA charterholder. He has experience in auditing companies in industries like manufacturing, trading, merchant banking, reinsurance, hospitality, shipping, oil and gas, commodities and real estate development and also in business purchase investigations, litigation consulting, corporate recovery, liquidation and receivership. His experience includes being a trainee dealer at DBS Bank trading on the futures markets and prior to joining ICPAS, he was a Lecturer at the Nanyang Business School of the Nanyang Technological University where he lectured and tutored the subjects of financial accounting, auditing, advanced auditing, income tax law & practice and fixed income securities for the undergraduate programmes.
